2024 Election Cycle

MEMORANDUM

TO: All Candidates and Campaign Treasurers

FROM: Brian E. Corley

SUBJECT: 2024 Candidate's Guide

This guide has been prepared in order that candidates and their campaign treasurers might more easily familiarize themselves with their duties and responsibilities under the Florida Election Code. It is also my belief that this guide will inform and educate candidates and their campaign staff with the procedures and services of the Supervisor of Elections' office.

Included in this guide are samples of all forms required for qualifying and financial reporting. A "Qualifying Packet" will be sent to pre-filed candidates by my office in early March 2024. All necessary forms and fees are required to be complete and filed by the end of candidate qualifying (no later than April 26, 2024 for judicial candidates and June 14, 2024 for county candidates).

Know that it is my intent that this guide be a valuable reference to you in your campaign. However, questions will arise that have not been addressed in this booklet. Please call my office at any time if you have additional questions or need clarification.

Also, please know that should any conflict of information arise between this guide and the Florida Statutes, the Florida Election Code will prevail. My staff and I stand ready to assist in any way that we are permitted by Florida law.

Guidelines for Determining When Residency Qualifications for Elected Office Must be Met

DE Reference Guide 0008 (Updated 02/2020)

These guidelines are for reference only. They are not to be construed as legal advice or representation. For any particular set of facts or circumstances, refer to the applicable state, federal law, and case law, and/or consult a private attorney before drawing any legal conclusions or relying upon this information.

RESIDENCY REQUIREMENTS – GENERAL OVERVIEW

- **In general.** Unless otherwise provided for constitutionally, legislatively or judicially, any residency requirement for an elected office must be met at the time of assuming office. (For example, the Governor must have resided in the state for 7 years by time of election. *See* s. 5, Art. IV, Fla. Const.)
- **Oath.** State law requires that all candidates at the time of qualifying subscribe to an oath (s. 99.021, F.S.) that they are qualified electors of their county. In order to be a qualified elector, one must be a resident of Florida and the county wherein he or she registers to vote. The oath also provides that the candidate is qualified for the office being sought. However, this oath is considered prospective in nature – it becomes effective at the time of assuming office, unless otherwise provided for constitutionally, legislatively or judicially. *See Davis v. Crawford*, 116 So. 41 (Fla. 1928); *State v. Haskell*, 72 So. 651 (Fla. 1916).
- **Continuous residency.** Any residency requirement for an office is a continuous one. Failure to maintain the residency throughout the term results in vacancy in office. *See* generally s. 3, Art. X, Fla. Const. and s. 114.01(1)(g), F.S. In absence of a statute, constitutional provision, or municipal ordinance that establishes a residency requirement, failure to establish or maintain residency alone does not trigger a vacancy in office. *See* AGO 75-113; AGO 88-11 (exception for redistricting).

RESIDENCY REQUIREMENTS – SPECIFIC OFFICES

- The following represent situations where the law addresses when residency requirements must be met for candidates and elected officials.

➤ CONGRESSIONAL MEMBERS (U.S. SENATORS AND U.S. REPRESENTATIVES)

Candidates known by a “nickname” will be required to complete an affidavit attesting to the validity of the nickname. The Division of Elections is revising this affidavit to be part of the Candidate Oath.

Candidates should also include the phonetic pronunciation of their name on the Candidate Oath filed during qualifying. This will ensure their name will be pronounced correctly on all audio ballots that may be used by voters with disabilities.

F. MAY I GET MY QUALIFYING FEE BACK IF I DECIDE NOT TO RUN?

Yes. **99.092(1), Florida Statutes**, provides for reimbursement for the qualifying fee provided that you withdraw your candidacy before the qualifying period ends.

H. CAN I QUALIFY AS A CANDIDATE BY PETITION?

Pursuant to **99.095, Florida Statutes**, a person seeking to qualify for nomination to any office may qualify to have their name placed on the ballot by means of the petitioning process. **HOWEVER**, signatures **MAY NOT** be obtained until the candidate has filed the appointment of campaign treasurer and designation of campaign depository pursuant to **106.021, Florida Statutes**. - < The statutory fee for signature verification is ten cents (\$.10) per signature verified. The fee is due when the petitioner submits the petitions for verification to the Supervisor of Elections. Payments should be made by campaign check. However, if paid for in-kind by the candidate, payment must be made by cash or check. Debit and/or credit card payments will not be accepted. If paying by cash, exact payment is required.
- < Additionally, **99.097(4), Florida Statutes**, allows you to file an Undue Burden Affidavit with the Supervisor of Elections exempting you from paying the ten cents (\$.10) per name checked. This oath must be filed with the Supervisor of Elections at the time petitions are submitted for verification. The form used will be the "Affidavit of Undue Burden."

- < The signed petitions must be submitted to the Supervisor of Elections **prior to 12:00 Noon on May 13, 2024**, for verification. The petition deadline for Judicial Candidates is **prior to Noon, March 25, 2024**.
- < The Supervisor of Elections will notify you, in writing, whether the required number of signatures has been obtained prior to the first day of qualifying.
- < You will not be required to pay the qualifying fee and will be entitled to have your name printed on the ballot.

Note: If the candidate is running for an office which will be grouped on the ballot with two or more similar offices to be filled at the same election and the petition does not indicate the group or district office for which they are running, the signatures obtained on the petition will not be counted.

I. MAY I HAVE MY NAME PLACED ON THE BALLOT AS A CANDIDATE WITH NO PARTY AFFILIATION?

- < In addition, you may also designate one (1) secondary depository for the sole purpose of depositing contributions and forwarding the deposits to the primary depository, **106.021(1)(b), Florida Statutes**.
- < **No expenditures may be made from a secondary depository.**

As soon as the Appointment of Campaign Treasurer and Designation of Campaign Depository is filed with the Supervisor of Elections, your campaign account may be opened, and you may begin accepting campaign contributions and expending campaign funds in furtherance of your candidacy.

- < Campaign Checks must contain the following information:
 - Name of the campaign account of the candidate
 - Account number and name of bank
 - Exact amount of expenditure
 - Signature of Campaign Treasurer or Deputy Treasurer
 - Exact purpose of the expenditure
 - Name of the payee

This information may be typed or hand-printed on starter checks until printed checks arrive.

C. SEPARATE INTEREST-BEARING ACCOUNT AND CERTIFICATE OF DEPOSIT

- < Pursuant to **106.021(1)(b), Florida Statutes**, your treasurer may deposit any funds, which are in the primary campaign depository and which are not currently needed for the disbursement of expenditures into a separate interest-bearing account in any bank, savings and loan association, or credit union authorized to transact business in the State of Florida.
- < The separate interest-bearing account shall be designated "Name of Candidate, Separate Interest-Bearing Campaign Account."
- < Your treasurer or deputy treasurer may then purchase a certificate of deposit with such unneeded funds in such bank, savings and loan association, or credit union.
- < The separate interest-bearing account or certificate of deposit shall be separate from any personal or other account or certificate of deposit.
- < The transfer of funds from a primary depository to a separate interest-bearing account or certificate of deposit must be reported on the Treasurer's Report - Funds Transfer (**Form DS-DE 94**). This amount will not reflect on the summary page.
- < The transfer of funds from an interest-bearing account or certificate of deposit to the primary account must be reported on the Campaign Treasurer's Report - Funds Transfer (**Form DS-DE 94**). This amount will not reflect on the summary page.
- < Any interest earned must be reported as a contribution to the campaign account.

D. CONTRIBUTIONS

- 1) **WHAT IS A CONTRIBUTION?** Section **106.011(5), Florida Statutes**, defines a contribution as:
 - < A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value, including contributions in-kind having an attributable monetary value in any form, made for the purpose of influencing the results of an election or making an electioneering communication.
 - < A transfer of funds between political committees, between electioneering communication organizations, or between any combination of these groups.
 - < The payment, by a person other than a candidate or political committee, of compensation for the personal services of another person which are rendered to a candidate or political committee without charge to the candidate or political committee for such services.

- < The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit and the term includes interest earned on such account or certificate.

Notwithstanding the foregoing meanings of "contribution," the term shall not be construed to include services, including, but not limited to, legal and accounting services, provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee. **NOTE:** This definition shall not be construed to include editorial endorsements.

Note: The law provides no exceptions for reporting contribution information, regardless of the size of the contribution (e.g., the reporting requirements would be the same for a 50 cents contribution as for a \$1,000.00 contribution).

Additionally, monies contributed through online payment systems (like PayPal, Square, Anedot, etc.) should be treated like "checks" and the received date is when the funds are "swept" into the account. If the online payment system takes fees, the fee is an expenditure while the contributor gets credit for the entire contribution. Online payment systems should be "shut-down" by the last date to receive contributions and all monies must be "swept" into the campaign account prior to the deadline to receive funds.

Protected Address Contributors: When reporting contributions from contributors (or expenditures from vendors) with protected addresses, an address must be listed. A report may not list any form of "Exempt by Law" or "Withheld by Law" in the address fields. However, the statutes do not require residential addresses. So, the address may be a PO Box or a business address. If they have neither of those alternatives, their residence address will need to be listed.

Once the report is filed, the reporting system will look through the voter file to verify they have a protected address and redact those that have the request on file. Please be aware that contributors (or vendors) who do not have a request for a protected address on the voter file will not have their addresses redacted.

2) **HOW SOON FOLLOWING RECEIPT MUST CONTRIBUTIONS BE DEPOSITED IN MY CAMPAIGN ACCOUNT?**

- < All funds must be deposited prior to the end of the fifth business day following receipt by the campaign treasurer... Saturdays, Sundays, and legal holidays excluded. **(106.05, Florida Statutes)**
- < **All deposits shall be accompanied by a bank deposit slip containing the name of each contributor and the amount contributed by each (including cash contributions).**

3) **IS THERE A LIMIT TO THE AMOUNT A PERSON MAY CONTRIBUTE TO MY CAMPAIGN?**

- < Except for political parties, or affiliated party committees, no person, or political committee may make contributions in excess of **\$1,000** per election to your campaign (**106.08(1), Florida Statutes**).

NOTE: The primary and general elections are deemed to be separate elections so long as the candidate is not unopposed. For example:

- ☐ If opposed in the primary election the candidate may accept:
 - ☐ Up to \$1,000/contributor no later than midnight on August 15, 2024
- ☐ If opposed in the primary and general elections the candidate may accept:
 - ☐ Up to \$1,000/contributor no later than midnight on August 15, 2024
 - ☐ Up to \$1,000/contributor between August 15th and midnight on October 31, 2024
 - Funds received between August 15th – 20th must be used for the General Election
- ☐ If opposed in the general election only the candidate may accept:
 - ☐ Up to \$1,000/contributor through the day of the primary election on August 20, 2024
 - ☐ Up to \$1,000/contributor between August 21st and midnight on October 31, 2024

- Candidates, political committees, affiliated party committees, and political parties may not make contributions, in exchange for political support, to any religious, charitable, civic, or other cause or organization established primarily for the public good. It is not a violation of this paragraph for:

- < As required in **106.08(3), Florida Statutes**, any contributions received by a candidate with opposition in an election must return all contributions, which are **received less than 5 days before an election.**
- < However, you must only abide by this restriction if you have opposition in that election. For example, if you are not in the primary but will be in the general election, you may continue to accept contributions during the 5-day cut-off period for the Primary but may not accept them during the cut-off period for the General.
- < Contributions, which are returned prior to being deposited into the campaign account, may be reported to the Supervisor of Elections on the Contributions Returned (**Form DS-DE 2**) (**106.07(4)(b), Florida Statutes**).
- < Any contributions received by a candidate or campaign treasurer of a candidate after the date on which the candidate withdraws their candidacy, or after the date the candidate is defeated, becomes unopposed, or is elected to office, shall be returned to the person, and shall not be used or expended by or on behalf of the candidate.

NOTE: **106.15(4), Florida Statutes**, prohibits the acceptance or soliciting of a contribution in a building owned by a governmental entity...except if the building is rented for a fundraiser.

8) WHAT MUST I DO WITH AN ANONYMOUS CONTRIBUTION?

- < Do **not** spend these funds.

Section **106.141, Florida Statutes**, states that each candidate who withdraws their candidacy, becomes an unopposed candidate, or is eliminated as a candidate or elected to office, shall within 90 days, dispose of the funds on deposit in their campaign account and file a report reflecting the disposition of all remaining funds.
- < If there are funds in a separate interest-bearing account or certificate of deposit at the time the candidate becomes unopposed, withdraws, is eliminated as a candidate, or elected, the funds and the accumulated interest earned thereon must be transferred to the campaign account within seven (7) days.

- < However, if the funds are subject to penalty if withdrawn within the seven (7) day period, the funds and the accumulated interest earned thereon may be transferred as soon as they may be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws their candidacy, or is eliminated or elected, whichever comes first.
- < A candidate required to dispose of funds pursuant to this section may, prior to such disposition, be reimbursed by the campaign, in full or in part, for any reported contributions by the candidate to the campaign.
- < Section **106.11(5), Florida Statutes**, allows a candidate who withdraws their candidacy, becomes unopposed, is eliminated, or elected to office to expend funds from their campaign account to:
 - 1) Purchase "thank you" advertising for up to 75 days after the candidate withdraws, becomes unopposed, or is eliminated or elected.
 - 2) Pay for items that were obligated before the candidate withdrew, became unopposed, or was eliminated or elected.
 - 3) Pay for expenditures necessary to close down the campaign office and to prepare final campaign reports.
 - 4) **106.141(4)(a), Florida Statutes**, states that any funds not spent or obligated may be disposed of by the following means or combination thereof:
 - a) return pro rata to each contributor the funds that have not been spent or obligated to be spent;
 - b) donate the funds that have not been spent or obligated to a charitable organization or organizations that meet the qualifications of s.501(c)(3) of the Internal Revenue Code;
 - c) give not more than \$25,000 of the funds that have not been spent or obligated to the affiliated party committee or political party of which such candidate is a member; or
 - d) give the funds that have not been spent or obligated to the General Revenue Fund of the county.
- < As stated in **106.141(5)(d) and (g), Florida Statutes**, if you are elected to office or will be elected to office by virtue of being unopposed, you may transfer from the campaign account to an office account any amount of funds on deposit in such campaign account up to \$5,000 multiplied by the number of years in the term of office for which you are elected. However, candidates for County Judge are limited to a transfer of \$3,000.00.
- < Any funds so transferred by a candidate shall be used only for legitimate expenses in connection with the candidate's public office.
- < This money retained from your campaign account must be used to open a new account to be entitled "Office Account" and the candidate elected to office is required to file a report on the 10th day following the calendar quarter until the account is closed.

- < These reports are in the same form and contain the same type of information as the campaign reports.
- < The office account shall be separate from any personal or other account, and funds may be used for travel expenses incurred by the officer or the officer's staff members, personal taxes payable on office account funds by the candidate or elected public official, or expenses incurred in the operation of the office, including the employment of additional staff.

NOTE: Prior to disposing of funds pursuant to subsection (4) or transferring funds into an office account pursuant to subsection (5), or retaining funds for reelection pursuant to subsection (6), any candidate who filed an oath stating that they were unable to pay the fee for verification of petition signatures without imposing an undue burden on personal resources or on resources otherwise available to them, shall reimburse the state or local governmental entity, whichever is applicable, for such waived fee. If there are insufficient funds in the account to pay the full amount of the fee, the remaining funds shall be disbursed in the above manner until no funds remain. All funds disbursed pursuant to this subsection shall be remitted to the qualifying officer. Any reimbursement for petition verification costs, which are reimbursable by the state, shall be forwarded by the qualifying officer to the state for deposit in the General Revenue Fund.

ADDITIONALLY: If a candidate receives a refund check after all surplus funds have been disposed of, the check may be endorsed by the candidate and the refund disposed of pursuant to **106.141, Florida Statutes**. An amended report must be filed showing the refund and the subsequent disposition.

IV. ONLINE FILING

A. WHAT IS ONLINE FILING?

- < In accordance with Board of County Commission Ordinance 10-167, **ALL** Campaign Treasurer's reports are to be filed online using the Pasco County Candidate and Committee Financial Reporting System provided at no cost to you by the Supervisor of Elections' office. The campaign treasurer will input the required information into the online reporting system. (Required information is discussed in Section V.)
- < On or before the due date, the report should be submitted to the Supervisor of Elections' website. Upon receipt of the online transmission, staff will review and release the information to the Supervisor of Elections' website on the internet. Once the information is submitted and released, the report may be viewed by all concerned parties.
- < This method expedites filling out and filing of the required financial reports of contributions and expenditures. This reporting system can be accessed from any internet connected PC or MAC and is extremely user friendly.
- < In order to operate the system, a PC or MAC, an internet connection, a web browser such as Internet Explorer, a printer, and Adobe Acrobat Reader are required.

B. WHAT ARE THE ADVANTAGES TO ONLINE FILING?

- < Online filing will provide the public, news media, and candidates easier access to campaign finance information. Upon notification of a candidate's submission, campaign treasurer reports will be released to the Supervisor of Elections' website. The candidate/public may view, print, or download the campaign finance reports. Computers will be available to candidates in the Supervisor of Elections' office to assist them in preparing their reports, if needed.
- < Each candidate and treasurer will be given a "How To" guide which will walk them through the process of using the filing system. Elections' office staff members are also available to answer basic questions on data entry and research.
- < If upon review, the Supervisor of Elections' office determines that an amendment must be filed, then, time is of the essence in order that the amendment be filed and reflected in all records prior to the filing of your next report. Online filing, like electronic filing, will significantly decrease the number of requests for amendments.

C. WHICH CANDIDATE'S MUST FILE ONLINE?

- < **ALL** Pasco County Candidates collecting and expending funds on their campaign

- < This policy will now include candidates for state or county political party executive committee members who collect or expend funds on their campaign. However, the only report due for these “candidates” is the 4th day report due prior to the Primary Election in which they are to be elected.

D. WHAT IS NEEDED TO FILE ONLINE?

- < A copy of the Policies of the Supervisor of Elections’ Office Regarding Campaign Treasurer’s Reports (**EF 99-03**) will be given to the candidate.
- < The candidate will be assigned an identification number and password that is required to be entered during log-in. This information is shared between the candidate and treasurer so that both parties may access the system. It is the candidate’s responsibility for protecting the sign-on credentials from disclosure.
- < Both the candidate and treasurer will also be assigned individual PINs used as their electronic signature during the submission of the treasurer’s reports.
- < The Supervisor of Elections MAY remind the campaign treasurer of the report due date by email. Once submitted, the report will state an Online Submission Confirmation Number including the date and time of submission. After submission, the Treasurer’s Reports should be printed using the online reporting system and maintained by the treasurer.

V. CAMPAIGN FINANCIAL REPORTING INFORMATION

A. REPORTING OF CAMPAIGN CONTRIBUTIONS AND EXPENDITURES

- < According to **106.07, Florida Statutes**, your treasurer shall file campaign treasurer's reports for contributions (Itemized Contributions, **Form DS-DE 13**) via online filing with the Supervisor of Elections according to the schedule listed in the calendar section of this handbook. (Section VI.)
- < Each report shall contain the full name, address, and occupation, if any, of each person who has made one or more contributions to your campaign within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by a corporation.
- < HOWEVER, if the amount is \$100.00 or less, or from a "relative" as defined in **112.312, Florida Statutes**, provided the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.
- < Addresses may be withheld from your report when the individual meets the requirements set forth in **119.071(4), Florida Statutes**. Your treasurer should follow the instructions listed in the financial reporting system guide when entering contributions into the financial reports from these exempt individuals.
- < Your treasurer shall also file campaign treasurer's reports for expenditures (Itemized Expenditures, **Form DS-DE 14**) via online filing with the Supervisor of Elections according to the schedule listed in the calendar section of this handbook. (Section VI.)
- < Each report shall contain the full name and address of each person to whom expenditures have been made by or on behalf of the candidate within the reporting period; the amount, date, and purpose of such expenditure. However, expenditures made from the petty cash fund provided by **106.12, Florida Statutes**, need not be reported individually.
- < Each treasurer's report of your campaign must include the Campaign Treasurer's Report Summary (**Form DS-DE 12**). This form summarizes all contributions and expenditures entered into the financial reporting system on **forms DS-DE 13 and DS-DE 14**. Every summary page contains the current reporting period information and displays running totals for contributions and expenditures reported on prior reports.
- < The Supervisor of Elections' office will notify campaign treasurers when reports are incomplete or contain errors that need to be amended. Corrections or amendments to reports must be received within seven (7) days of notification from the Supervisor of Elections' office.

B. PENALTY FOR LATE FILING

- < Section **106.07(8)(b), Florida Statutes**, states the following penalty for late reporting. The amount of the fine is \$50 per day for the first three (3) days late; and thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.
- < However, for the reports immediately preceding each primary election and general election, the fine shall be \$500 per each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

NOTE: 106.07(8)(d), Florida Statutes, provides that the Supervisor of Elections shall notify the Florida Elections Commission of any repeated late filing, failure to file a report after notice, or failure to pay the fine imposed.

- < Reports must be filed no later than **midnight** Eastern Standard Time on the day designated.
- < It is incumbent upon the treasurer filing the report to ensure that the submitted reports indicate the Online Submission Confirmation Code along with the date and time stamp as proof of timely filing.
- < The Supervisor of Elections' office recommends campaign treasurers print a hard copy of the submitted reports for their files. The printed copy will list the Online Submission Confirmation Code, date and time filed and will serve as proof of submission. A copy of the "Draft" will not serve as proof of submission since a draft copy has not actually been submitted and will not display the Online Submission Confirmation Code, date or time filed.
- < **NOTE:** Fines assessed for late filing shall not be allowable campaign expenditures and shall be paid only from the **personal funds** of the candidate. **FILE TREASURER'S REPORTS TIMELY!**

VII. POLITICAL ADVERTISING

- * Section **106.143(1), Florida Statutes**...any political advertising and any campaign literature published, displayed, or circulated prior to or on the day of any election **by a candidate** (except write-in candidates) shall be marked:

"Political advertisement paid for and approved by _____, for _____."
(Name of Candidate) (Party Affiliation) (Office Sought)

OR

"Paid by _____, for _____."
(Name of Candidate) (Party Affiliation) (Office Sought)

- * Political advertisements paid for by **write-in candidates** that are displayed, or circulated prior to or on the day of any election must prominently state:

"Political advertisement paid for and approved by (name of candidate) , write-in candidate, for (office sought) ."

OR

"Paid by (name of candidate) , write-in candidate, for (office sought) ."

NOTE: the disclaimer language alternatives provided above must be verbatim as quoted in 106.143, Florida Statutes. Variations are prohibited by law.

- * **Any other political advertisement** published, displayed, or circulated prior to, or on the day of, any election must prominently:
- Be marked "paid political advertisement" or with the abbreviation "Pd. Pol. Adv."
 - State the name and address of the persons paying for the advertisement.
 - State whether the advertisement and the cost of production is paid for or provided in-kind by or at the expense of the entity publishing, displaying, broadcasting, or circulating the political advertisement; or
 - State who provided or paid for the advertisement and cost of production, if different from the source of sponsorship.
 - The above shall not apply if the source of sponsorship is obviously clear from the content or format of the political advertisement.
 - Any political advertisement must indicate the political party if the candidate is running for partisan office.
 - Any political advertisement endorsing the candidate shall express whether the permission of the candidate has been obtained.

- No political advertisement of a candidate who is not an incumbent of the office for which he/she is running shall use the word "re-elect." Additionally, such advertisement must include the word "for" between the candidate's name and the office for which the candidate is running in order that incumbency is not implied.

NOTE: Campaign business cards, letterhead, in addition to social networking sites (e.g., Facebook, My Space, Twitter) are considered political advertisements and are subject to all of the laws for political advertising. Exemptions may apply to electronic mediums, see 106.143(10), Florida Statutes.

- * This subsection does not apply to campaign messages used by a candidate and the candidate supporters if those messages are designed to be worn by a person.
- * However, pursuant to **106.143(3), Florida Statutes**, any political advertisement of a candidate running for partisan office shall express the name of the political party of which the candidate is seeking nomination or is the nominee. If the candidate for partisan office is running as a candidate with no party affiliation, any political advertisement of the candidate must state that the candidate has no party affiliation.
- * It is unlawful for any candidate or person on behalf of a candidate to represent that any person or organization supports such candidate unless the person or organization so represented has given specific approval in writing to the candidate to make such representation. However, this does not apply to:
 - a. Editorial endorsement by the newspaper, radio, or television station, or other recognized news medium.
 - b. Publication by a party committee advocating the candidacy of its nominees.
- * **106.143(5)(a), Florida Statutes**, states that any political advertisement, including those paid for by a political party, other than an independent expenditure, offered by or on behalf of a candidate must be approved in advance by the candidate. Such political advertisement must expressly state that the content of the advertisement was approved by the candidate and must state who paid for the advertisement. The candidate shall provide a written statement of authorization to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution.
- * Any person who makes an independent expenditure for a political advertisement shall provide a written statement that no candidate has approved the advertisement to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution. The advertisement must also contain a statement that no candidate has approved the advertisement.
- * This subsection does not apply to campaign messages used by a candidate and his or her supporters if those messages are designed to be worn by a person or to novelty items having a retail value of \$10 or less which support, but do not oppose, a candidate or issue. Bumper stickers are not included. They **must** have the disclaimer language but are exempt from using the word "for" between the candidate's name and office sought.

- * Any political advertisement which is published, displayed, or produced in a language other than English may provide the information required by this section in the language used in the advertisement.
- * Section **106.143(10), Florida Statutes**, states: The disclaimer requirement in section **106.143(1), Florida Statutes**, does not apply to any campaign message or political advertisement used by a candidate and the candidate's supporters or by a political committee if the message or advertisement is:

- (a) Designed to be worn by a person.

- (b) Placed as a paid link on an Internet website, provided the message or advertisement is no more than 200 characters in length and the link directs the user to another Internet website that complies with the disclaimer requirements in section **106.143(1), Florida Statutes**.
- (c) Placed as a graphic or picture link where compliance with the requirements of this section is not reasonably practical due to the size of the graphic or picture link and the link directs the user to another Internet website that complies with section **106.143(1), Florida Statutes**.
- (d) Placed at no cost on an Internet website for which there is no cost to post content for public users.
- (e) Placed or distributed on an unpaid profile or account which is available to the public without charge or on a social networking Internet website, as long as the source of the message or advertisement is patently clear from the content or format of the message or advertisement. A candidate or political committee may prominently display a statement indicating that the website or account is an official website or account of the candidate or political committee and is approved by the candidate or political committee. A website or account may not be marked as official without prior approval by the candidate or political committee.
- (f) Distributed as a text message or other message via Short Message Service, provided the message is no more than 200 characters in length or requires the recipient to sign up or opt in to receive it.
- (g) Connected with or included in any software application or accompanying function, provided that the user signs up, opts in, downloads, or otherwise accesses the application from or through a website that complies with section **106.143(1), Florida Statutes**.
- (h) Sent by a third-party user from or through a campaign or committee's website, provided the website complies with section **106.143(1), Florida Statutes**.
- (i) Contained in or distributed through any other technology-related item, service, or device for which compliance with section **106.143(1), Florida Statutes**, is not reasonably practical due to the size or nature of such item, service, or device as available, or the means of displaying the message or advertisement makes compliance with section **106.143(1), Florida Statutes**, impracticable.

- < Section **106.147, Florida Statutes**, mandates:
 - a) Any telephone call supporting or opposing a candidate, elected public official, or ballot proposal must identify the persons or organizations sponsoring the call by stating either: "paid for by ____" (insert name of persons or organization sponsoring the call) or "paid for on behalf of ____" (insert name of person(s) or organization authorizing call). This paragraph does not apply to any telephone call in which both the individual making the call is not being paid and the individuals participating in the call know each other prior to the call.
 - b) Any telephone call conducted for the purpose of polling respondents concerning a candidate or elected public official which is a part of the series of like telephone calls that consists of fewer than 1,000 completed calls and averages more than two minutes in duration is presumed to be a political poll and not subject to the provisions of paragraph (a).
 - c) No telephone call shall state or imply that the caller represents any person or organization unless the person or organization so represented has given specific approval in writing to make such representation.
 - d) No telephone call shall state or imply that the caller represents a nonexistent person or organization.
- < Any telephone call, not conducted by independent expenditure, supporting, or opposing a candidate or ballot proposal, requires prior written authorization by the candidate or sponsor of the ballot proposal that the call supports. A copy of such written authorization must be placed on file with the qualifying officer by the candidate or sponsor of the ballot proposal prior to the time the calls commence.
- < The term "person" includes any candidate; any officer of any political committee, affiliated party committee, or political party executive committee; any officer, partner, attorney, or other representative of a corporation, partnership, or other business entity; and any agent or other person acting on behalf of any candidate, political committee, committee of continuous existence, affiliated party committee, political party executive committee, or corporation, partnership, or other business entity.
- < Section **106.1475, Florida Statutes**, states that any person or organization that conducts any business in this state which consists of making paid telephone calls supporting or opposing any candidate or elected public official must, prior to conducting such business have and continuously maintain, for at least 180 days following the cessation of such business activities in the state, a registered agent for the purpose of any service of process, notice, or demand required or authorized by law and must file with the division a notice of such registered agent. Such registered agent must be an individual who is a resident of this state, a domestic corporation, or a foreign corporation authorized to do business in this state. However, this subsection does not apply to any person or organization already lawfully registered to conduct business in this state.

Note: Conducting business in this state includes both placing telephone calls from a location in this state and placing telephone calls from a location outside this state to individuals located in this state.

- < The notice form (**DS-DE 100**) may be obtained from the Division of Elections and must contain at least:
- 1) The name, address, and telephone number of the registered agent.
 - 2) The name, address, and telephone number of the person or organization conducting business in this state.

PLEASE NOTE: Hetherington v Madden, No.: 3:21-cv-671-MCR-ZCB, 2022 WL 18356994 (N.D. Fla. 2022), declared that the following portion of section 106.143(3), Florida Statutes, is unconstitutional, both facially and as applied, in violation of the First Amendment: “A political advertisement of a candidate running for nonpartisan office may not state the candidate’s political party affiliation. This section does not prohibit a political advertisement from stating the candidate’s partisan-related experience. A candidate for nonpartisan office is prohibited from campaigning based on party affiliation.” 106.143(3), F.S. The court also enjoined the Florida Elections Commission and State Attorney from enforcing the provision. However, the Court in Hetherington noted that section 105.071, F.S., which was not challenged in that lawsuit, independently restricts similar conduct as to judicial candidates.

CAMPAIGN SIGNS

As indicated in **106.1435, Florida Statutes**, after a candidate withdraws, is eliminated, or elected, the candidate shall make a good faith effort to remove all political campaign advertisements within 30 days. However, in order to comply with the Land Development Code, political signs or posters must be removed within 15 days after the political issue has been decided. Please note the section entitled "Political Signs". This information was provided by the Pasco County Department of Land Development. A candidate is not expected to remove those political campaign advertisements which are in the form of signs used by an outdoor advertising business as provided in Chapter 479. The provisions herein do not apply to political campaign advertisements placed on motor vehicles or to campaign messages designed to be worn by persons.

If the political signs are not removed within the specified time, a political subdivision or government entity has the authority to remove advertisements and may charge the candidate the actual cost for such removal.

No political advertisements shall be erected, posted, painted, tacked, nailed, or otherwise displayed, placed, or located on or above any state or county road right-of-way.

NOTE: Some polling locations and early voting sites may not allow campaign signs to be erected, posted, painted, tacked, nailed, or otherwise displayed, placed, or located on their property except during polling hours, as stipulated in Florida Statutes.

Additionally: This does not preclude municipalities from imposing additional or more stringent requirements on the usage or removal of political campaign advertisement. Candidates should contact individual municipalities for information regarding their political campaign advertisements.

POLITICAL SIGNS

Candidates should familiarize themselves with Pasco County Board of County Commissioners Resolution 11-300. This resolution details the county's policy on political signs at county owned facilities for both Early Voting periods and Election Days. A copy of this resolution is given to each person who pulls papers to run for office.

Permits are no longer required by Pasco County for temporary signs, but they remain subject to Sections 406.1 and 406.2 of the Pasco County Development Code regulations. Visit <http://www.pascocountyfl.net/index.aspx?NID=1330> for more information on temporary signs in Pasco County.

Adherence to the guidelines by candidates and campaign workers will avoid citations, fines and/or confiscation of illegal signs by Pasco County Code Enforcement. For clarification or additional information, contact the Zoning/Code Compliance Division at (727) 847-8142.

POLITICAL CAMPAIGN SIGNS IN THE STATE RIGHTS OF WAY

Chapter **479.11(8), Florida Statutes**, mandates that political campaign signs may not be placed in the right of way of any state or national highway.

Chapter **479.16(14), Florida Statutes**, states that temporary political campaign signs placed on private property but visible from a state or national highway are statutorily exempted from any sign permit.

All political campaign signs placed on the State right of way will be picked up by the Florida Department of Transportation staff and placed in one of the department maintenance yards.

All campaign staff/workers should be made aware of the regulations for political sign placement. If workers are given a copy of this notice prior to distributing campaign signs, it will eliminate a trip(s) to the maintenance yard to retrieve the confiscated signs.

AFFIDAVIT OF UNDUE BURDEN (Section 99.097(4), Florida Statutes)

IMPORTANT: Paying signature gatherers will preclude or invalidate the filing of an undue burden oath. Section 99.097(6), Florida Statutes, provides: (a) If any person is paid to solicit signatures on a petition, an undue burden oath may not subsequently be filed in lieu of paying the fee to have signatures verified for that petition. (b) If an undue burden oath has been filed and payment is subsequently made to any person to solicit signatures on a petition, the undue burden oath is no longer valid and a fee for all signatures previously submitted to the supervisor of elections and any submitted thereafter shall be paid by the candidate, committee, or organization that submitted the undue burden oath. If contributions as defined in s. 106.011 are received, all contributions must first be used to reimburse the supervisor of elections for any signature verification fees that were not paid because of the filing of the undue burden oath. [Note: The second sentence in (b) applies only if payment is made to a signature gatherer after an undue burden oath had been filed.]

I certify under oath that I intend to qualify as a candidate for the office of _____ and that I am unable to pay the fee for verification of petition signatures for that office without imposing an undue burden on my personal resources or on resources otherwise available to me.

STATEMENT OF ETHICAL CAMPAIGN PRACTICES
(Pasco County Ordinance No. 60-11)

As a candidate for public office in Pasco County, I believe that political issues can be freely debated without appealing to racial, ethnic, religious, sexual, or other prejudices. I recognize that such negative appeals serve only to divide this community and create long-term moral, social, and economic problems. Therefore:

1. I shall not make my race, color, religion, gender, national origin, physical disability, or sexual orientation an issue in my campaign.
2. I shall not make my opponent's race, color, religion, gender, national origin, age, marital status, familial status, physical disability, or sexual orientation an issue in my campaign.
3. I will condemn any appeal to prejudice based on race, color, religion, gender, national origin, age, marital status, familial status, physical disability, or sexual orientation.
4. I shall not attack or question my opponent's patriotism.
5. I shall not publish, display, or circulate any anonymous campaign literature or advertisement nor shall I tolerate or permit members of my campaign organization to engage in such activities.
6. I shall not tolerate nor permit members of my campaign organization to engage in activities designed to destroy or remove campaign materials or signs lawfully displayed on public or private property.
7. I shall not tolerate my supporters engaging in the activities which I condemn nor shall I accept their continued support if they engage in such activities. I will not permit any member of my campaign organization to engage in these activities and will immediately and publicly repudiate the support of any other individual or group which resorts to the methods and tactics that I condemn.
8. I shall run a positive campaign emphasizing my qualifications for office and my positions on issues of public concerns and I will limit my attacks on an opponent to legitimate challenges to that person's record, qualifications, and positions.
9. I will neither use nor permit the use of malicious untruths or innuendoes about an opponent's personal life, nor will I make or condone unfounded accusations discrediting an opponent's credibility.
10. I will not use or permit the use of campaign materials that falsifies, distorts, or misrepresents facts.
